

Why Curtin College?

We're on campus at Curtin University, so you're experiencing all the university has to offer, right from day one.

- Students studying first year units will gain a Diploma qualification, as well as entry into the second year of their chosen bachelor degree at Curtin.
- Fast-track options are available, with the trimester system offering 3 intakes per year.
- Small class sizes and a range of study support services to prepare you for university studies.
- Cultural diversity –around 1,200 students from 40 countries.

Since 2000, Curtin College has established itself as the major pathway to Curtin University, Western Australia's largest university. Located on the main Curtin campus in Bentley, Curtin College has produced over 7,000 students who have successfully progressed to the second year of a bachelor degree at the University. Curtin College is a Registered Training Organisation and higher education provider offering Curtin University units.

YOUR CURTIN PATHWAY

Our Courses

What You Need To Know

Curtin College offers a range of qualifications leading to the second year of selected Curtin bachelor degrees.

Study areas include

- Architecture, Construction & Built Environment
- Business & Commerce
- Communications, Design & Arts
- Engineering
- Health Sciences
- Computer Science & Information Technology

Curtin College diplomas are in two stages. Where you start will depend on your qualifications.

Pre-University Level

(For students who have completed Year 11 or equivalent)

Stage 1 Diploma

Students who are not eligible for entry into the Stage 2 Diploma may complete the Stage 1 Diploma prior. 7 pre-university level units are studied over two or three trimesters. 4 course-specific units must be completed along with 3 core units.

Progression to Stage 2 Diploma requires the achievement of qualifying grades varying from 50% to 65%.

University Level

(For students who have completed Year 12 or equivalent)

Stage 2 Diploma

The Stage 2 Diploma consists of 8 or 9 university level units studied over 2-3 study periods,* and has the same course content and structure as year one of the corresponding Curtin University undergraduate degree.

Students who successfully complete a Curtin College Stage 2 Diploma, and who have met the minimum academic entry requirements, are able to enter the corresponding undergraduate degree at Curtin University with advanced standing.

The Two Stage Diploma

How Does It Work?

Stage One

Students studying Stage 1 Diplomas will follow the Trimester system, by which the academic year is divided into three 13-week trimesters as follows:

- Trimester 1: March to June
- Trimester 2: July to October
- Trimester 3: November to February

After completion of the Diploma Stage 1, students will transition into Diploma Stage 2 as outlined below.

Note:

In exceptional circumstances, students may enroll in Stage 1 and Stage 2 units at the same time with the prior approval of the Academic Director.

Stage Two

For Stage 2 Diplomas of Health Sciences, Engineering and Information Technology, the academic year at the College follows the Curtin University semester structure:

- Semester 1: March to June
- Semester 2: August to November

All other Diplomas Stage 2 retain the trimester system.

After completion of Diploma Stage 2, students will transition into second year at Curtin University where all students follow the semester structure.
